

A decorative border of tropical plants, including Monstera leaves with characteristic holes and various types of ferns, is positioned along the right edge of the page. The plants are in shades of green and yellow-green.

EVENTS AT BRINDABELLA BISTRO & BAR

FUNCTIONS & EVENTS AT THE BRINDABELLA

The Brindabella has recently undergone an extensive refurbishment which has transformed the venue with beautiful open plan areas that are flooded with natural light. The venue boasts a number of spaces that can be made available for functions and events; the Brindabella Bistro, The Verandah and the Brindy Beer Garden.

The Brindabella Bistro & Bar is the perfect space for any function. The space is modern, open and light, capitalising on the picturesque views of the Brindabella Mountain ranges. The Brindabella Bistro & Bar is ideal for hosting small casual gatherings, through to corporate functions, and special birthdays.

The Verandah wraps around the side of the building and has stunning views of the Brindabella ranges and rolling greens. This area is the perfect location for the more casual stand up function especially during the warmer months.

Whether your booking is for 10 or 400 people, our functions team can assist you with planning an experience your guests will be talking about long after your function has finished.

Our functions packages have been designed to cater to a variety of requirements and budgets. Selections include canape packages, function platters and we can even accommodate a 'mix and match' of both. Beverages may be selected either as a package or a customised bar tab.

For more information, Contact our Functions team at functions@thebrindabella.com.au or call us on 02 6254 2922
